<b>Technical Reports</b>	
Tamura, T., Matsuoka, K., Yasunaga, G. and Pastene, L.A. What do we know about whales and ecosystem in the Indo-Pacific region of the Antarctic? Part 2: summary of ecological studies .....	1
Isoda, T., Katsumata, T., Tamura, T., Matsuoka, K. and Pastene, L.A. An outline of the Japanese Abundance and Stock structure Surveys in the Antarctic (JASS-A) including results of the first survey under this new research program .....	12
Matsuoka, K. An outline of the IWC-Pacific Ocean Whale and Ecosystem Research (IWC-POWER) including results of the 2019 survey .....	23
Taguchi, M. Genetic tagging technique: basic concept and a case study by the Institute of Cetacean Research .....	35
Takahashi, M. Use of genetic data for abundance estimate purposes: a brief review of methods and case studies by the Institute of Cetacean Research .....	41
Bando, T. and Maeda, H. Progress in the research on earplug-based age determination and biological parameters of North Pacific sei whales at the Institute of Cetacean Research .....	48
<b>Technical Reports-Notes</b>	
Goto, M. and Oikawa, H. Japan's system for monitoring of whale products sold in its domestic market through DNA registration .....	54
Konishi, K., Isoda, T. and Katsumata, T. Satellite-monitored tracking of Antarctic minke and fin whales under the first JASS-A survey in the 2019/2020 austral summer season .....	57
<b>Commentary</b>	
Yasunaga, G. Comments on the use of lethal and non-lethal techniques in the studies of large whales .....	59
<b>International meetings</b> .....	61
<b>Peer-reviewed publications</b> .....	62
